Add Media   Visual | Text

Paragraph ▼ B I ≣ ≣ 66 ≣ ≣ ≣ ⌐ ✂ ▦   ⤢

The Guardians must fight to keep their newfound family together as they unravel the mystery of Peter

```php
<?php
// Apply styles to content editor to make it match the site
function add_custom_editor_style() {
    //Looks for an 'editor-style.css' in your theme folder
    add_editor_style();

    //Or call it with a custom file name if you choose
    //(helpful especially when keeping css in a subfolder)
    //add_editor_style('css/my-editor-style.css');
}
add_action( 'admin_init', 'add_custom_editor_style' );

```

For the block editor in Gutenberg add `editor-styles` theme support.
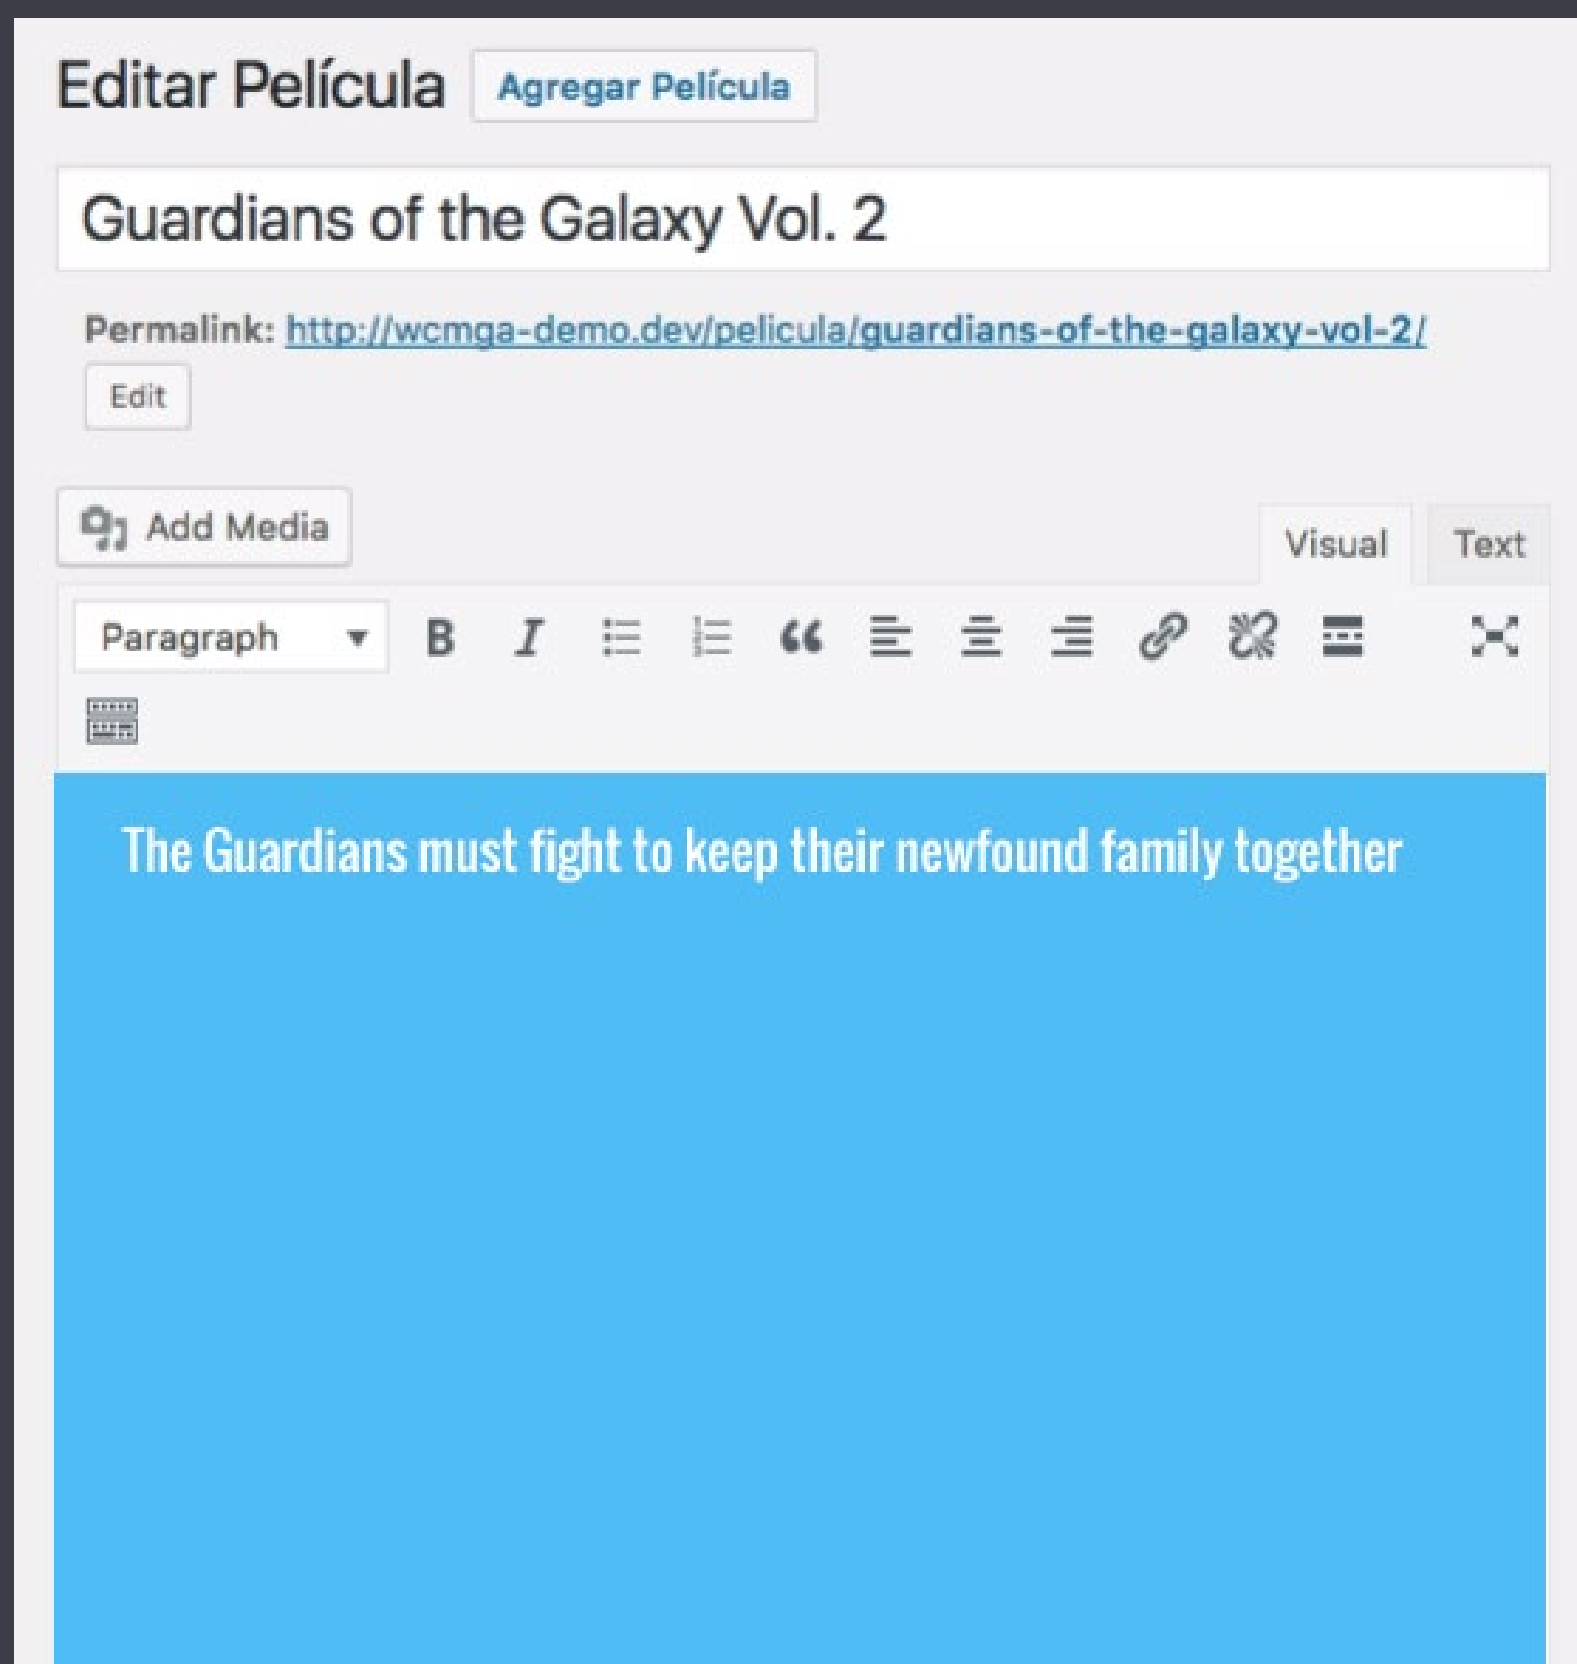

```php
<?php
add_theme_support('editor-styles');

```

```php
<?php
/* Add Google Fonts to the Admin editor */
function add_google_fonts_admin_editor() {
    $font_url = 'https://fonts.googleapis.com/css?family=Oswald:400,700';

    //Encode Google Fonts URL if it contains commas
    add_editor_style( esc_url( $font_url ) );
}
add_action( 'admin_init', 'add_google_fonts_admin_editor' );
```
